KP may indefinitely retain reserve or other funds in KP's possession following termination of the parties' contractual arrangement until KP determines, in its sole discretion, that KP has not presently incurred and does not anticipate incurring any claims, liability, damages, costs or expenses, including court costs and reasonable attorney's fees.
- 3.1 KP is not responsible for the actions of Processor, Company, or others with respect to the amount, accuracy, and timeliness of transmittals or authorization of entries received from (i) Processor or (ii) generated by KP at the direction of Company, Processor or their customers. The acts of any other person or organization including, without limitation, banks or other financial institutions, or transmission facilities, shall not be deemed the acts of KP. If further collection attempts are required, all KP's costs, expenses, losses, and collections costs, including attorney's fees, where permitted by law, will be charged to Processor and/or Company; further, KP is authorized to transfer all amounts from Processor and/or Company accounts, including reserve accounts, if available, to reimburse KP for all losses.

- 5.0 **Entire Agreement:** This Agreement, whether executed as one instrument or in counterparts (including by pdf or facsimile), any addenda, the current KP Processing Policies, the KP Processor Agreement, and the Authorization for Debit and Credit Electronic Funds Transfers constitute the entire Agreement between and among Processor, Company and KP, and correctly describe the parties' mutual understanding of this Agreement. Any and all oral or written agreements, representations or understandings between the parties entered into or made prior to or made contemporaneously with the effective date of this Agreement have been incorporated into this Agreement or were revoked, released or terminated before the effective date of this Agreement. No modifications, deletions, additions, or amendments to this Agreement shall be binding on KP unless the same are reduced to writing, and the writing is signed by KP. The parties to this Agreement agree to execute whatever documents are reasonably necessary to carry out the terms and effect of this Agreement.
- 5.1 **Relationship of Parties:** The parties' relationship hereunder is to be that of independent contractors. This Agreement is solely for the benefit of the undersigned and may not be relied upon or enforced by any third party. In no event shall KP be deemed an agent, employee, partner or joint venturer of Company or Processor, or have the power or authority to bind them in any way; nor shall Company or Processor be deemed an agent, employee, partner or joint venturer of KP, or have the power or authority to bind it in any way.

- 5.2 **Governing Law:** This Agreement shall be governed by the laws of the State of North Dakota; NACHA; and applicable state or federal law. Any dispute regarding this Agreement shall be tried and litigated exclusively in the United States Federal District Court for the Southeast Division of the State of North Dakota, Fargo, North Dakota or the District Court for Cass County, Fargo, North Dakota.
- 5.3 **Termination of Agreement:** Any party to this Agreement may terminate this Agreement upon fifteen (15) days' written notice, except that upon KP's sole determination that Company or Processor, or their Related Parties (i) have failed to observe any term or condition of this Agreement applicable to them, (ii) have not provided KP with honored funds, (iii) have violated any applicable rule, regulation or law, (iv) have engaged in a fraudulent, wrongful, illegal or negligent act or omission, (v) have been made the subject of an inquiry by any governmental or self-regulatory body, (vi) have misrepresented any fact to KP, (vii) have become a credit risk to KP, (viii) have failed to immediately alert KP of a credible basis for believing that they are under investigation, or (ix) have refused to provide information to enable KP to make a determination as to (i) through (viii), KP may immediately terminate this Agreement by written notice to Company and Processor. Company and Processor also have an affirmative duty to inform KP immediately of any inquiry by any law enforcement, regulatory, or administrative agency once they have a credible basis for believing that such an inquiry has commenced. Consistent with this duty, Company and Processor must furnish to KP copies of any subpoenas, civil investigative demands, requests for information, as well as any reports of findings and cease and desist orders (or their equivalent), except where expressly prohibited by law. Failure to satisfy this duty to notify shall represent a separate basis for immediate termination. KP may immediately terminate this Agreement upon written notice sent to Company and Processor. Processor's and Company's representations, warranties, obligations and duties shall survive termination of this Agreement, and Company and Processor shall continue to indemnify and hold KP harmless and shall be liable to KP for all sums of monies due and payable hereunder to KP. Reserve and other Company or Processor funds in KP's possession following termination of the Agreement may be retained indefinitely by KP until such time as KP determines, in its sole discretion, that it has no present or anticipated claim for indemnification from Company or Processor. Provided, however, that a determination by KP that there is no present or anticipated claim for indemnification will in no way affect Processor or Company's continuing obligation to indemnify and hold KP harmless.
- 5.4 **Term of this Agreement:** The term of the Agreement will be for one (1) year from the date of this Agreement. Agreement will automatically renew for subsequent successive periods of one (1) year thereafter, unless either party provides the other parties with written notice of termination fifteen (15) days prior to the end of any succeeding term of this Agreement.
